## COMMUNITY WELLBEING GRANTS – GUIDANCE NOTE

The purpose of the **Community Wellbeing Fund** is to aid small sustainable projects that will be of economic, social or environmental benefit to the communities of Eryri National Park. The grants awarded will be between £100 and £500.

### Eligible Projects

Any projects that improve the local environment and well-being of the community and meet the aims and objectives of the Eryri National Park Authority will be eligible for funding.

The projects need to be able to show that they contribute to at least one of the following:

- a. conserve and enhance the natural beauty, wildlife and cultural heritage of the area

For example projects that improve or protect the local environment through landscaping, planting of native trees, other biodiversity projects, restoring / renovating features of local interest or projects that develop appropriate traditional skills.

- b. promote opportunities for the understanding and enjoyment of the Special Qualities of the area

For example community wellbeing events focused on increasing public understanding of the local environment, or the history and cultural heritage of the National Park and its communities.

- c. foster the economic and social wellbeing of local communities within Eryri

For example activities or projects including information boards, community newsletters, youth mentoring and development programs, community gardens, local arts and culture festivals, community health and wellbeing events, sustainability programs such as zero waste initiatives.
